If an Amendment causes an increase or decrease in the cost of performance of this Agreement(s) or in time required for performance, an equitable adjustment may be made, as applicable, to the price and/or the delivery schedule of the affected performance and this Agreement(s) shall be amended in writing accordingly. Any claim by the Seller for an equitable adjustment under this clause must be asserted in writing within thirty (30) days from the date of the Amendment or Gulfstream shall not be obligated to consider Seller's claim for an equitable adjustment. Any claims for damages by Seller under this paragraph must be asserted in writing in detail within thirty (30) days of receipt of Gulfstream's written termination notice and must be accompanied by cost breakdowns and supporting documentation; further provided, at Gulfstream's discretion, this information will be subject to audit by Gulfstream and/or a Gulfstream designated third party.
